### CLASS OFFERINGS:

#### **God of Creation, A Study of Genesis 1-11 by Jen Wilkin**

The opening lines and chapters of Genesis teach us fundamental truths about God. We watch Him bring light after darkness, order after chaos, and rest after toil—all through the power of His Word. Over 10 sessions of verse-by-verse study, dive into the first 11 chapters of Genesis by following three critical stages of understanding: comprehension, interpretation, and application. Revisit familiar stories and historical figures, challenge your basic knowledge, and discover deeper meanings in the text. As God reveals Himself through Scripture, we can only begin to understand ourselves when we first glimpse the character, attributes, and promises of our Creator. This is an 11-week study.

Facilitated by Mary Crist

#### **Fire-Resistant Parenting by Mary Bennett – Facilitator: Kathy Glabe**

Our families are in danger of wildfires that destroy not our physical houses but our spiritual lives and the lives of our loved ones. Surrounded by a culture that is suffering from a drought of truth and biblical values, our spiritual homes are being threatened. The purpose of this Bible study is to discover God's design for wise parenting and the process for intentionally creating an environment that will both promote that design and provide protection from the current fires in our culture. The challenge for us as parents, grandparents, and educators is to equip the next generation with biblical truth that leads to lifelong, personal convictions. Join us as we complete a weekly bible study, pray and discuss the study together.

**Evening WOW** begins on Thursday, January 18, 2018 from 6:30-8:00 pm.

The registration fee is \$15 and no childcare is provided.

The class being offer is:

#### **1 Peter by Jen Wilkin – Facilitators: Heather Scott & Jennifer Rosenblad**

Our Inheritance is Imperishable, Undeclared, and Unfading. Peter, a man of faith and flaws and an eyewitness to the life of Christ, challenges us to look beyond our current circumstances to a future inheritance. In 1 Peter, he shares concerns about big picture issues for the early believers, reminding them of the living hope they have in Christ. Peter describes our true identity as believers and points us to humility and submission. Each session has 5 days of homework. You can expect 15-20 minutes of homework for each day.

**Sign Ups** for Bible Study and childcare available NOW online, or you can sign up January 7 and January 14 at the Ministry Center.
